Policy effective from date - 1 August 2022

Disclaimer:

Introduction

The Company depends on its employees to help full fill our obligations to our customers. because absenteeism and late reporting are disruptive, unfair to co-workers, costly, and can jeopardize our ability to meet customer demands; employees are expected to report to work on time as scheduled.

Unsatisfactory attendance performance, which includes excessive absenteeism and/ or tardiness, may have an adverse effect on promotional opportunities and will result in disciplinary action up to and including termination.

Security Control

Everyone will be provided with an Access Control + Identity Card, which allows you to enter the office. Kindly make it a point to wear your Identity Cards at all times when you are in the Office. It's compulsory not only from the security point of view but also helps to keep track of your attendance in the office.

Any employee, who, after punching his card is found absent from his place of work at any time during the working hours without permission shall be liable for disciplinary action for loitering and salary shall be deducted for the period she/ he was not found at the place of work.

Office Timings

The regular working hours begin at 10.00 AM and end at 07:00 PM during the workweek.

Flexi Time

We practice flexi time between 10:00 AM to 10:30 AM with the intention of 9 hours to be clocked-in for the day. However, the requirements of certain positions may limit the extent to which this policy can apply.

Example: Employees reaching at 10:30 AM in the morning can leave at 7:30 PM in the evening and employees reaching at 10:00 AM in the morning can leave at 7:00 PM in the evening.

If you unexpectedly need to be absent from or late to work, you must notify your supervisor prior to the start of your scheduled workday that you will be late or absent and provide the reason for that absence or tardiness. If your supervisor is not available, you should contact the HR at the start of your scheduled workday. Non-information will be treated as leave and will be treated accordingly

Unscheduled Early Departure

If you fail to clock in 9 hrs in a day, due to late coming or an early departure without a written and approved time off request in that case:

- Half working day will be considered if less than 6 hrs are logged.
- Full day leave will be counted if on any day completed hours are less than 4 for a day.
- One full day leave will be counted if there are 3 instances of less than 8 completed hours found in a month.

Lunch Break/ Tea Break

Daily working hours include 8 hours of work and 1 hour of break for meals and rest.

Being on time is not just an organizational requirement but also a reflection of our regard for discipline and punctuality, so please be on time.

* Any change in working hours will be intimated to all by the HR department.
