- Please return all its equipment to its place after its usage.
- Report any damaged equipment to the management immediately. **DO NOT USE IT**
- Management will not be responsible for any accidents or injuries.
- No Horseplay, Aggressive behavior or inappropriate language.
- Keep music to yourself.
- Please be watchful for your belongings. Management will not be responsible for any loss.
- Turnoff lights and AC's before leaving the room.

Note- Anyone found defacing or damaging equipment is subject to disciplinary action and will be held financially responsible.

PRECAUTIONS

- Practicing exercise safety helps optimize the health benefits of a fitness routine. When planning an exercise program, it's important to consider factors such as age and health history as well as personal strength and stamina.
- Use proper techniques and know your body's limit to avoid injuries.
- Please contact your health care provider prior to using the facility for advice on types of exercises that are appropriate for you. Also contact your health care provider for advice on when to return to exercise following any injury or illness. Start out slowly and increase workout time and intensity gradually. Make sure to include a proper warm-up and cool-down into your workout routine.

TIPS

- Drink Water While You're Exercising. Even if you hydrate before and after exercise, you should still be taking in fluids during your workout.
- Rest Between Weight Training Sets.
- Breathe When You Stretch.
- If not feeling well ask for help.
