1. Purpose

This policy establishes guidelines and procedures for obtaining visas and managing international and domestic travel for employees representing Devstringx Technologies. It ensures compliance with immigration laws, cost control, employee safety, and the company's operational efficiency.

2. Scope

This policy applies to:

- All full-time and project-based employees traveling on behalf of Devstringx Technologies.
 - Both domestic and international business travel for purposes such as client meetings, project assignments, training, conferences etc.
-

3. Responsibilities

Employee

- Obtain prior approval for all business travel.
- Provide accurate personal information and documentation for visa processing.
- Comply with visa and immigration regulations of the host country.
- Submit expense reports and travel summaries upon return.

Human Resources (HR) / Global Mobility Team

- Facilitate visa application, documentation, and sponsorship.
- Maintain records of employee travel and visa status.
- Provide guidance on travel requirements, vaccinations, and insurance.

Finance Department

- Approve and process travel-related expenses in line with company budgets.
- Manage per diem allowances and reimbursements.

Reporting Manager

- Approve business travel requests based on project needs and budget.
-

4. Visa Policy

- Devstringx Technologies will sponsor visas for employees traveling abroad for approved business purposes.
- Employees must:
 - Submit visa appointment documentation requests well in advance.
 - Refrain from using a business or work visa for personal travel.
- All visa fees related to business travel are covered by the company.

- Any visa violations (e.g., overstays, misuse) are the employee's responsibility and may result in disciplinary action.
-

5. Travel Authorization Process

1. The employee submits a Travel Request to the reporting manager via HRMS portal to the HR or Finance department.
 2. The manager reviews and forwards the request to Finance for approval.
 3. Once approved, HR assists with booking, visa documentation, and travel insurance.
 4. Employee receives a formal Travel Authorization Letter.
-

6. Travel Expenses

- **Air Travel:**
 - Economy class for flights.
 - Business class may be approved as per the requirement.
- **Accommodation:**
 - Standard hotels within the company budget.
 - Employees must use company-approved vendors or travel agencies.

- **Per Diem:**

- Daily allowance covers meals, local transport, and incidental expenses.(for specific reimbursements contact Finance department)
- Rates depend on the destination country and are reviewed annually.

- **Reimbursements:**

- All claims must be submitted within 10 business days of returning.
- Original receipts are required for all expenses.

7. Health, Safety, and Insurance

- All employees traveling abroad must be covered under company-provided travel insurance.
- Employees should comply with local health regulations, including vaccinations if required.
- In emergencies, employees must contact the company's HR immediately.(email ID:hr@devstringx.com)

8. Compliance and Data Protection

- Employees must adhere to immigration and labor laws of the destination country.
- Personal and client data must be handled in accordance with GDPR or applicable data protection laws.

- Misuse of company-sponsored travel or visa privileges will result in disciplinary action, up to and including termination.
-

9. Post-Travel Requirements

- Employees must submit:
 - A Travel Summary Report (project updates, meeting notes, or outcomes).
 - All expense documentation for settlement.
-

10. Policy Review

This policy will be reviewed annually by the HR and Management to ensure continued relevance and legal compliance.
